

# Expect Large Crowd in Bassano Friday, May 12 For Music Festival

## Large Entry in Competitions

Mrs. Murphy, Mr. Newcomb and Inspector Frame to Adjudicate

A larger entry in the Bassano Music Festival than had at first been anticipated by the committee in charge, will make it necessary to use the Bassano school, and Knox Presbyterian church besides the Masonic Hall, as had previously been planned, to stage the festival on May 12th. Entries have poured in from all parts of the district, and it is believed that this festival will be much more successful than the one presented here several years ago.

Well-qualified adjudicators have been appointed to adjudicate the various eliminations. They are Mrs. Murphy of Taber, who will adjudicate dramatics, Mr. Newcomb of Calgary Music, and Inspector Frame of Drumheller, Junior Education.

Citizens of Bassano are invited to attend any of the three halls during the day and witness the competitions. Winners of the morning and afternoon events will again compete in the Masonic Hall commencing at 5:00 p.m. to determine each class winner.

The time table of the Festival is as follows:

**MUSIC (Masonic Hall)**  
5:00 to 5:25 a.m. — Action Songs — Grades 1 to 6  
5:25 to 5:55 a.m. — Vocal Ensemble — Grades 1 to 6  
5:55 to 10:30 a.m. — Rhythm Band and School Orchestra  
10:30 to 10:45 a.m. — High School Ensemble  
10:45 to 11:10 a.m. — Vocal Ensemble — Grades 1 to 9  
11:10 to 12:00 a.m. — Solos — Grades 3 and 4

**MUSIC (Presbyterian Church)**  
1:00 to 1:45 p.m. — Solos — Grades 4 and 5  
1:45 to 2:10 p.m. — Solos — High School  
2:10 to 2:40 p.m. — Solos — Grades 7 and 8  
2:40 to 3:10 p.m. — Solos — Grades 9 and 10  
3:10 to 4:00 p.m. — Solos — Grades 1 and 2  
4:05 to 4:40 p.m. — Chorus — Two and Three Room Schools  
4:40 to 5:10 p.m. — Chorus — Public Schools

**RECITATION (Presbyterian Church)**  
9:00 to 10:10 a.m. — Recitations — Grades 7 and 8  
10:10 to 11:00 a.m. — Recitations — Grades 11 and 12  
11:00 to 11:45 a.m. — Recitations — Grades 9 and 10

**ELOCUTION (Bassano School)**  
9:25 to 10:00 a.m. — Elocution — Grades 1 to 10

10:00 to 11:00 a.m. — Elocution — Grades 4 and 5  
11:10 to 11:40 a.m. — Elocution — Grade 2  
11:40 to 12:20 a.m. — Elocution — Grades 3 and 4

**DRAMATIZATION (Masonic Hall)**  
10:00 to 1:30 p.m. — Division 3 — Grades 7, 8 and 9 — Division 1 — Grades 1, 2 and 3  
2:30 to 5:10 p.m. — Division 11 — Grades 4, 5 and 6  
5:10 to 5:50 p.m. — High School

## Dorothy

Seeding operations are well under way and many of the farmers are out with new machinery as an indication of the success of last year's crops.

Much to the satisfaction of the people in the Dorothy district, as Perry went in on April 19.

Mr. Miller was renewing old acquaintances at the Glen Colony.

The marriage of Mr. Jack Livittor, Dorothy, to Miss Gladys Atkinson of Calgary took place in Calgary on April 17.

Mr. and Mrs. Livittor will reside in the Dorothy vicinity. They wish every success and happiness.

Mr. and Mrs. Witter and Miss J. Parks paid a visit to Drumheller on April 25.

We understand there is to be a new general store erected in Dorothy on April 22.

Dehorning the cattle has been the order of the day among the stockmen.

# Sports Meet To Be Held Here May 26

Visitors to Bassano on May 26th, the day the King and Queen will pass through, on route to Calgary and the West Coast, will be provided with fine entertainment throughout the entire day, when arrangements being made by the local committee are compared.

Latest plans include a sports meet to be held on the local sports ground in the afternoon, following the arrival of the Royal Train. The athletic games of every description will be run off, and prizes will be granted to the winning contestants. Not only will be children enjoy these sports events but adults will likewise, and an extra attraction will be a baseball game between the local ball team and a team from a nearby town.

The grounds will be highly decorated for the occasion. On the platform in the front of the grandstand, Mr. Jan Johnston will present several stage attractions, local talent being featured. A public address system to be installed for the day will enable the large crowd expected to be present to hear all announcements quite clearly and distinctly. Another attraction that will please many of the older persons present will be a Community Stringed band by persons on the stage. Refreshment booths will be installed on the grounds for the convenience of the large number of visitors.

It is understood that Mr. Ueberling, manager of the Orpheum Theatre, is arranging to show a special picture during the course of the afternoon.

At present it is not definite that the title of the picture will be, but a real good show is assured for the moviegoers who will visit town.

To conclude the day's celebration, the local Board of Trade will sponsor one of their splendid dances in the Masonic Hall. The Calgary Philharmonic Orchestra will again supply the music.

These and other attractions, which this orchestra has drawn dancers from all parts of the district, and everyone has thoroughly enjoyed the brand of entertainment offered. This show will probably be one of the most successful ever to have been staged in the Hall, and visitors are invited to enjoy the afternoon and take part in the evening's entertainment.

## Gem Notes

Gen. May 2nd—We are sorry to hear that Tommy Callison is on the sick list again. We wish him a speedy recovery.

Congratulations to Mr. and Mrs. McCormack on the birth of a daughter. Quite a number of Gem people were in Calgary last week.

Mr. Jim Ryan had the misfortune of having a leg broken last Thursday. He had just finished the day's work and was unhooking his team, when one of the horses kicked him away from the knee of the right leg. Mr. Ryan was on his dry farm across the river when the accident occurred. He is progressing favourably in the Bassano Hospital.

Mr. Horford and Lloyd spent the week-end in Bassano visiting Mrs. Horford's parents.

Look out for the date of the big dance in the Glen Colony. Mr. Dickman of Gem and Mr. Ryan of Calgary have been working for the past two weeks putting down the hard wood floor and tiling the house.

Mr. Clifton and Mr. McFadyen of Calgary have been in Gem the past two days scraping and sandpapering the floor in the hall.

Mr. and Mrs. Jack Dunlop of Duchesse were Gem visitors on Sunday last.

Mr. and Mrs. Patschke passed through Gem on Monday.

Mrs. Jack Wallace, Molly, Cuthbert and Nell of Pinagang called on Mrs. J. Brown last Saturday.

Mrs. Gibbs had her sister, Ruth, visiting her on Monday.

## RUSSIAN LADIES AID MEETS AT HOME OF MRS. STITT.

Bassano, April 20th—On Thursday afternoon, the Russian Ladies Aid held its regular meeting at the home of Mrs. H. B. Stitt, with the president, Mrs. M. M. Moffat presiding. It was a banner meeting as twenty-six members and visitors were present, both from the country and the Village.

The financial statement showed that the Aid has on hand \$100.00, including the insurance premium money. This is the result of good work, and many small enterprises.

The program consisted of a song by Lois Scholten, accompanied by Mrs. H. B. Stitt. "My Task," a vocal solo "Keep Right on to the End of the Road" by Mrs. T. Lawrence, accompanied by Mrs. Ory, and two readings by Mrs. T. Burdett. "The Dead Letter" and "Your Mistake".

Plans were made to have special Mother's Day program at the next meeting, which will be held at the home of Mrs. E. J. Bell on the second Thursday of May. Mrs. Burdett will assist as hostess.

After singing a hymn, the president, Mrs. Ivan Montgomery was the accompanist at the piano. The hostess, assisted by several, served a very delicious lunch, and a social hour was enjoyed by all.

## Rosemary

Miss Betty Adams who has been attending University at Edmonton, returned home for the summer holidays.

Mr. and Mrs. A. Russell and family visited Mr. and Mrs. Gelsky and family Sunday.

Mr. and Mrs. Jean Norton and Miss Norton visited Mr. and Mrs. A. V. Farnsworth of Cassin, Sunday.

Mr. and Mrs. Carl Lihbert were the host and hostess at a large "Get Acquainted" party held at their place Friday evening.

Games were played until midnight. A lovely lunch was served.

Congratulations are extended to Mr. Douglas Lebaron on his recent marriage to Miss Bullard of Salt Lake City.

Mr. and Mrs. Lebaron and his bride returned to their home here Thursday evening.

Mr. and Mrs. Crapo and family made a trip to Alberta Sunday.

A number of Young People attended the dance in Bassano Wednesday night.

**YOUNG VIOLINIST WINS HONORS AT DRUMHELLER MUNICIPAL FESTIVAL.**

Friends of Bassano and district will be interested to learn that Donna Bambrake, youngest daughter of Mr. and Mrs. W. E. Bambrake of Drumheller, eight-years-old violin prodigy, for the second time captured premier prize in the fifteen-year-old violin class on the second day of the Drumheller musical festival. She was greatly praised by the Adjudicator, Mr. Plummer E. Hubble of Winnipeg. This spring, Donna is taking the seventh grade Examination of the Toronto Conservatory of Music.

## Latham

Margaret Freeman was a visitor at the home of Mr. and Mrs. Wessell of Cooness Sunday.

Mr. and Mrs. A. Freeman were Sunday callers at the home of Mrs. Steinback.

Mr. and Mrs. Munro and children were visitors at the home of Mr. and Mrs. G. Gosling Sunday.

Mr. and Mrs. Swanson of Cooness were callers at the home of Mr. and Mrs. John Swanson Sunday.

Mrs. Dahl and daughter of Idelburg were visitors at the home of Mr. J. Swanson over the week-end.

Mrs. P. Powell was a caller in the Colony on Monday.

Mr. and Mrs. Len Bandler, Glen and baby Peggy, were visitors to Calgary over the week-end to visit Mary Lou who is in training at the Holy Cross.

Mrs. Fred Bohne and Mr. Archibald were Calgary visitors the first of the week.

Mr. Harwood, our elevator man, attended the elevator men's meeting in Brooks last Thursday.

Mrs. Harnwell and family arrived this week for the Gem Honey Co. Watch the Gem Ball Team this year!

# Set Court of Revision Date for June 5 at Meeting

## Former Latham Resident Passes in Calgary

### Colorful Life Followed Flight from Russia After Revolution

Ending a colorful life which had included a high office in the Russian Imperial Army, command of a Russian Infantry camp, banking the Orient, interpreter for the British administration in Hong Kong, a farm in Alberta, and finally a boarding house in Calgary, Andre Kouskolevsky, 55, died in a Calgary Hospital of a heart ailment Saturday morning.

Towards the end of Russia's participation in the Great War, Mr. Kouskolevsky was placed in charge of a large Infantry camp in Russia, where, as prisoner, chiefly Czechs, Austrians and Germans were under his supervision.

Following the Bolshevik revolution, he escaped from Russia to Manchuria, where he worked for various financial institutions in Manchuria, Korea, Japan and Hong Kong.

While a resident of Hong Kong, Kouskolevsky was given a testimonial of thanks from the British government for his services as interpreter.

From Hong Kong, he emigrated to Canada, where he took a farm in the Lethbridge district. Unable to make a go of farming, he moved with his wife and family to Calgary about a year ago.

In the city he and his wife have conducted a boarding house for the past year.

For some time prior to his death he had been suffering to obtain employment with the Dominion Government as an interpreter as he had a working knowledge of many European and Asiatic languages and dialects.

Mr. Kouskolevsky was born in Voronez, Russia, in a family which dated back to Peter the Great. It is interesting to note that he came to Canada with his wife and son, Leo, 18 years ago from Russia, and had farmed at Latham, Alta., for 15 years before moving to Calgary a year ago.

He leaves his widow, Antonina; and son, Leo; and a daughter, Mrs. Ole Pivly in Denmark.

Rev. Dr. Warwick P. Kelly was called to officiate at 2:30 p.m. Monday, at Jacques funeral home. Interment was made in Bursfield Cemetery.

## Hussar

Member Day services will be held at 2 p.m. on May 14th, with Rev. M. Pawcett of Ogden officiating, and Mr. Carmichael and the Wintering Hills school joining in the program. Everyone is cordially invited to attend.

There is to be a vaudeville program in the hall on Saturday night, May 6, and a dance in the hall of Friday, May 12th.

Mr. and Mrs. J. L. Williams and family moved to Calgary the first of the week.

On Friday Mr. H. D. Brown returned to Calgary to meet his son, Emerson, and Glen Treacy who have been in attendance at the University of Alberta, and have completed this year.

Mr. E. J. Bell and Mr. John Chang were Calgary visitors on Friday.

Messadme H. B. Stitt, S. W. Lawrence and Edith Burdett, motored to Calgary on Friday.

Mr. Phil Rogers went to Calgary on Friday.

Among Bassano visitors on Sunday were: Messrs. Frank and Harold Treacy; E. Anderson and children; Mrs. Rutkiska and children; Mr. and Mrs. H. B. Stitt and sons, and Mr. and Mrs. E. J. Bell.

Monday morning, clear without dew—the dust storm was very severe this spring.

Mr. and Mrs. Ivan Montgomery and Mr. T. L. Montgomery motored to the woods to visit Mr. and Mrs. Chittard.

All the "Vets" of the Hussar District will be serving as guards at Bassano on May 24th.

Mrs. L. M. Clark, who has been visiting her sister, in Seattle, is back home again.

# Regular meeting of the Town Fathers was held in the Town Hall on Monday evening of this week, May 1st, five councillors and Mayor Playfair being present.

Several discussions on matters of importance to the Town of Bassano were dealt with. During the business of the meeting, a resolution was passed stating that the Court of Revision on 1939 assessment be held in the Town Hall on Monday, June 5th. All taxpayers not satisfied with their 1939 assessments are requested to place in protest before the 30th day of February, and their complaints will be tried before the court on the date of its sitting. Time set for sitting is 5:00 p.m.

The Treasurer reported receipts and payments for the month of April as follows: Receipts \$1,630.56; Payments \$1,443.19.

There has been no definite announcement with regard to the closing of stores on Friday May 26th, the date of the Royal Visit, the Council decided to ask local merchants to close their doors on business for a few hours around the time the Royal Train are expected to arrive in Bassano.

This would save employees an opportunity to partake in the celebration and parade past the Train.

The Town Engineer reported one burial for the month and a considerable amount of cleaning work in the local cemetery, where weeds had been destroyed, and the general appearance greatly improved.

Several summer water lines in town have been connected with the water mains and are now receiving water from the Town Water System.

Fences about vacant lots on local streets have been improved upon and the appearance of these lots improved. The Gas Plant located just south of town has been repaired.

Two weeks by the Calgary Power Co. who are repairing their main transmission lines between Glendon and Bassano, and has supplied electrical energy to consumers of Bassano and Brooks during the day time.

The Plant in the Bassano Dam has operated continuously, but a low water level has prevented satisfactory operation up to the present time.

The following accounts were reported and passed for payment:

Workmen's Comp. Board	3.81
W. E. Hamilton	50.00
Bassano S. District	20.00
Alberta Gov. Tel.	15.48
Calgary Power Co. Ltd.	295.58
Postmaster	7.00
Pay Roll for April	427.35
G. S. Warren	1.95
"Bassano Record"	1.85
Adam Melldinger	3.00
Alberta Gas Prod. Co. Ltd.	37.91
Burroughs Adding Machine Co.	15.12
J. H. Stiles	14.90
Jan. Johnston	14.47
Subway Stores	5.00
Provincial Treasurer	12.50
W. S. Playfair	17.41
Alberta Nat. Drug Co.	8.25
<b>Total</b>	<b>1560.95</b>

# Bow Valley S.D. Discusses Wage Schedule at M'tg.

## ALL DAY MEETING HELD ON TUESDAY

At an all day meeting of the Trustees of the Bow Valley School District No. 43, held in the office of the Division in Bassano on Tuesday, May 2nd, a wage schedule drawn up by a committee of teachers in the district was presented, and discussed. Trustees present at the meeting were, Mr. Rogers of Chancellors, Mr. Mullins of Melrose, Mr. Clemens of Queenstown, Mr. Collops of Strathmore and Mr. Treacy of Hussar. Inspector Frame of Drumheller also attended.

Workmen's Compensation was the subject of the meeting. As yet no definite number could be determined. It was estimated that there would be somewhere around three hundred. Piles were ordered to be given to the children of the district for the summer.

A letter from the Provincial Department of Health was read stating that a travelling clinic would visit the schools of the district in the near future.

Mr. H. Allergood, principal of the Mills school, represented the Bow Valley Branch of the Alberta Teachers' Ass'n, and presented their proposition with regards to a wage schedule in the district. After a considerable amount of discussion, it was decided that a meeting of the trustees and the negotiating committee of the teachers be called for May 24th. At this time, the matter will be further discussed, and probably some suitable schedule will be drawn up.

## BORN AT THE HOSPITAL

To Mr. and Mrs. Arnold McCormack, Gem, a daughter on April 23, 1939.

To Mr. and Mrs. M. Mikula, Hussar, a daughter on May 1st, 1939.

## This Week in Edmonton

Growth of Edmonton as an Airport into the greatest shipper of serial freight in the British Commonwealth and North America, it is not in the world was demonstrated in fitting fashion Saturday last, when officials of the airport and transportation companies paraded 29 ships for inspection by Premier Abernethy.

Formation of a central purchasing board for government supplies was announced this week. A. Galt, King's Printer and George A. Clark, chairman of the Provincial Marketing Board, will comprise an advisory purchasing committee for each department. They will be assisted by a paid member representing the department making the purchases. At the last session of the legislature, an act was passed which provided for the establishment of such an agency.

Civil servants, who have been accepting 35% of their salaries in the form of Treasury Vouchers under terms of an agreement between their association and the government, will continue to accept this form of credit for a further period of six months, they decided Tuesday.

The great agreement does not expire for another month.

Growth of the credit union movement in Alberta was demonstrated by the formation of the organization formed by civil servants six months ago. Loans totalling \$300,000 have been extended since formation.

In the field of provincial credit, the union has a capital of \$1,000, which is growing continually. In the field of provincial credit, the union has a capital of \$1,000, which is growing continually.

Member of the Canadian Weekly Newspaper Association and the Alberta Division of the Canadian Newspaper Association.

Subscription Rates—Canada, \$2.00 per year; Great Britain and the United States, \$3.00 per year.

Advertising rates furnished on application.

FLOYD T. CARY, PUBLISHER

### PROPAGANDA

O, you can't believe anything you read in the papers these days. It's all propaganda.

One hears this these days—hears it in high places and low; hears it at afternoon tea, and at the political meeting; in private conversation and from the platform. The propaganda that the news papers are not to be believed is most insidious. It's on par with all the talk of a certain section of political propagandists that the old lie parties are rotten and crooked and should vote for them. When one hears of a C.C.F. or a communist talking that way from the platform, what is it but propaganda for their own particular political racket?

It is strange how otherwise intelligent people have fallen for this word "propaganda" as if it were something sinister. It can be sinister, it is true when a German uses a French newspaper for the sole purpose of hurrying France to the assistance of Germany, that's propaganda of the sinister type.

But when Premier Albert stands on the platform and tells us that all anti \$25 a month, maybe more, that's propaganda, political propaganda. It's a propagandaists bribe to the people to vote for him. There's nothing particularly sinister about it. If people haven't the intelligence to know the propaganda is not a statement by themselves that's just their hard luck. The fact that Premier Albert used that kind of propaganda in 1935 to get elected is just a fact. He couldn't be put in jail for it. This is a free country. But it's propaganda. And the newspapers published it—propaganda, propaganda, and "rums and rums of it" knowing it to be propaganda and both at the same time.

Hitler spoke on last Friday. News services supplying the newspapers the world over carried thousands of words on that speech. Yet they knew the speech as propaganda of a dictator, uttered to influence the world. Can the newspapers be accused of propaganda for printing the Hitler speech? Yet there are a lot of unthinking people who will say "yes."

Every political party, every private corporation, every newspaper, relies on propaganda. There's no law against it. There is, of course, good propaganda and bad propaganda. That's where people make a big mistake. Most propaganda is good. Only a small percentage of it is sinister. When the newspapers report a dictator propaganda they throw it in the waste paper basket. Newspapers watch for that kind of thing. We wish the general public used the same discrimination about propaganda in general as used in the news rooms of the news papers across Canada. There's a lot less talk about not being able to believe the newspapers because they're full of propaganda.

### COUNCILS PRECAUTION

A wise move on the part of the local council was the enforcing of By-Law No. 72 at the regular meeting held on Monday night, last. This By-Law provides that for the burning of all rubbish piles, and waste patches, in the town, a permit must be secured from the Chief of the Fire Brigade.

During the past few weeks, several cases where property loss was narrowly averted have been reported. When fires spread and were allowed to burn in the future, assistance from members of the fire brigade may be secured when a large lot is to be cleaned, and property will thus have the necessary protection. The Fire Chief will also know where relief is being burned, and will be able to inspect the premises as an added precaution.

Practically every day, articles reporting fires with property loss may be seen in the daily papers, in small towns where no precaution is taken. Bassano does not want to suffer from the same misfortune.

### TREES GREEN

In less than a week in fact since the last publication of a check has been noticed in the Town of Bassano. Last week, trees lining the streets of our town stood dead, in a brown, lifeless state. It was difficult to distinguish the small but

### Various Views

#### EARLY ELECTION NOT PROBABLE

(MacLeod Gazette)

Premier William Aberhart continues to hint that the time for a provincial election is approaching, but he does not encourage us to hope too much for one before fourteen months' time. We know that an election will be necessary next year in any case so in this year the five years allowed by the law will phase, unless, of course, the government decides to declare a state of emergency and attempts to continue in power. Judging from their past record, there is no law that the government of Alberta cannot pass.

That hints to the contrary notwithstanding, the Gazette does not expect to see a provincial election this year. Mr. Aberhart can help it. We still do not believe that the premier has the courage to have his name printed on a ballot paper, and finally that the time has come for an election he will seek a plausible excuse for retiring—an excuse that will promote sympathy, and then leave for Vancouver where he will count his money. It would seem to be in Mr. Aberhart's best financial interests to hang on as long as possible in this year, turning the leadership over to someone else.

#### THE SERIOUS WHEAT PROBLEM

(Trochu Tribune)

One does not need to be the son of a prophet to forecast that speculating and continuing to grow more and more wheat the farmers of Western Canada are creating a very serious economic problem in the West and for the Dominion as a whole. Ten years ago the value of wheat and flour exported from Canada amounted to 42 per cent of total exports. During the first year of 1937-38 this had declined to 13 per cent. The rapid shrinkage of our exports of wheat and flour is the result of the spirit of national self-sufficiency, tariffs, quotas and various other barriers erected by European nations. Unless these markets can be recovered—and an immediate prospect of this happening is by no means at all likely—western wheat growers are faced with the problem of curtailing acreage up to wheat.

#### OPPOSED TO ANNEXATION

(Grand Prairie Herald)

The North West Territories are not doing any worse today under Dominion rule than they would be under provincial control, and the people of the north would be well advised to demand that they be left free of Alberta. As a matter of fact all the people of the north including the agricultural interests of the Peace River and the mining interests of the Great Slave Lake area could do considerably better at handling their own affairs than either Ottawa or Edmonton are doing today, and their tax producing resources would be called upon to produce only such taxes as would be necessary for their own development. There is a community of interest between the Peace River country and the Great Slave Lake region, but there never has been, and probably never will be a similar community of interest between the community of the north and the city of Edmonton.

The branches. Warm weather on Friday and Saturday, however, suggested a change in the trade, and almost overnight the buds broke, and green leaves began to show in place of the buds. Today at this time of going to the streets are lined with green foliage, and again present that welcome sight which tourists from all parts of the continent praise so highly when passing through.

#### CANADA MOVES UP TO FIFTH PLACE IN WORLD TRADE

Canada improved its position in world trade in 1938, moving from sixth place, displacing Japan. It was shown in figures released by the export trade branch, Dominion Bureau of Statistics, that the United Kingdom

### Weekly Recipe

#### SPRIDE DOWN IS RIGHT. SIDE UP FOR THIS UNUSUAL SALMON SHORTCAKE

It's right's time when up-side-down is right-side up. Take this unusual and delicious recipe and serve it and see how well the family like it.

#### SALMON UP-SIDE DOWN CAKE

2 cups flaked, cooked or canned salmon  
1 onion, sliced  
1 tomato, cut up or chili sauce  
Salt  
Pepper  
Lemon Juice  
Scraped Onion  
Worcestershire sauce  
To the flaked, cooked or canned salmon add sufficient catsup or chili sauce to moisten; season to taste with salt, pepper, lemon juice, scraped onion, and 1/2 teaspoon of Worcestershire sauce. Spread in a greased baking dish or frying pan and cover with a rich tea-biscuit dough. Bake in hot oven (400 degrees F.) about 35 minutes. Turn upside down on a heated serving dish, garnish with parsley and lemon sections and serve accompanied by an egg sauce or caper sauce.

A Medium thick white sauce, or canned mushroom or celery soup may accompany.

#### CREAMED HADDOCK IN CUPOTS

2 cups medium white sauce  
2 tablespoons shrimps, chopped  
2 tablespoons chickpeas  
1 tablespoon parsley, minced  
Lemon Juice  
To the haddock add 1/2 cup of cream, 1/2 cup of chicken haddock, 1/2 cup of Add capers, gherkins, parsley onion and lemon to white sauce. Add the chicken haddock, and then the haddock. Serve in a browned mashed potato nests—use to fill hot flakey tart shells. Serve very hot with green peas and carrots. They make a most delicious luncheon or supper main dish.

#### POTATO NESTS

Prepare mashed potatoes in your usual way, adding 1 slightly beaten egg white for each 3 cups mashed potato. Drop by spoonful on a greased pan and shape with a spoon, with deep ridges in each. Brush with melted butter and browned delicately in moderately hot oven of 375 degrees F.

dom held first place in total world trade last year, followed respectively by the United States, Germany, France and Canada.

Canada maintained her position in 1938 as the world's fourth largest exporting country and eighth in respect to imports. The Dominion total trade last year was \$1,843,177,000, compared with \$1,600,000,000 in 1937. Exports were \$955,725,000 against \$1,245,000,000, a decrease of 15 per cent, while imports decreased 14.3 per cent to \$674,000,000 from \$800,000,000.

The decline in exports and imports were the result of lower prices and smaller volume, the report said. If prices had been no fall in prices, Canada's exports would have been \$1,009,651,000 and her imports \$496,051,000. Exports were affected more seriously than imports by the price factor, while the decline in volume was greater for imports.

The balance of trade was somewhat less favorable in 1938 than in 1937, amounting to \$279,752,000 against \$316,000,000. However if prices of imports and exports had remained at the 1937 levels there would have been an increase in the favorable balance.

#### NOTICE TO CREDITORS AND CLAIMANTS

In the estate of Henry John Walsh otherwise Harry J. Walsh late of the Town of Bassano in the Province of Alberta, Rancher, deceased.

NOTICE is hereby given that all persons having claims upon the estate of the above named Henry John Walsh (otherwise Harry J. Walsh) who died on the first day of January A.D. 1939, are required to file with Wm. J. McLaughlin, Barrister and Solicitor, Bassano, Alberta by the 30th day of June A.D. 1939 a full statement duly verified of their claims and of any securities held by them, and that after that date the administrator will distribute the assets of the deceased among the parties entitled thereto having regard only to the claims of which notice has been so filed or which have been brought to their knowledge.

DAVID J. L. MAY, Adm. 1939. "WILLIAM McLAUGHLIN" Solicitor for the Administrators at Bassano, Alberta.

### The Poet's Corner

When the thought of the sweet, silent thought

I summon up remembrance of things past,  
I sigh the lack of many a thing I sought,  
But if the while I think on thee, dear friend,  
All losses are restored and sorrows end.  
A . . .  
Also how easily things go wrong  
When we try so hard to get along  
And then comes mist and sweeping rain  
And life is never the same again.

#### AT NOON AND MIDNIGHT

Far in the night, and yet so rest for  
The pillow next her own  
The husband's face in slumber pressed—  
yet she awoke—alone!  
In vain she courted sleep—  
one thought would ever in her heart arise.

The harsh words that at noon had brought the hurt look in her eyes.  
Sorrow on lifted arms she raised and listened.  
All was still as death.  
She touched his forehead as the gasps of, and listened yet, with bated breath:  
Still silently: as though she prayed.  
Her lips moved lightly as she slept—  
For God was with her, and she laid her face with his and wept.

#### IMPLEMENT PRICES ALMOST SAME AS IN UNITED STATES

There is apparently no great difference in the prices of farm machinery in North Dakota and Montana and Saskatchewan from the prices in the United States. The prices of farm machinery in Saskatchewan from the prices in the United States. The prices of farm machinery in Saskatchewan from the prices in the United States.

Questioned by counsel, R. T. Graham, K.C., the Massey-Harris Representative, Mr. Stuart S. Lee, General Sales Manager of the Company, stated that in no other country in which he had travelled were prices of farm machinery as cheap as they are here in North America, and that so far as finding a cheaper and better method of distribution his Company "exceeds all others" and it better methods could be found the Company would certainly be using them.

It was also brought out before the Committee that of every sales dollar for implements in this Province from thirty-five to forty cents, remained in the Province to cover rent, interest, salaries and wages, local freight and trucking agents' commissions, etc. Officials of some Companies said that they would be willing to give consideration to the selling of machinery through co-operatives when the question was put but that they could give no definite answer unless they had some information as to the basis of such ventures, and could be given some idea as to their being assured of reasonable performance and their ability to give the farmer the proper service found from experience to be necessary with farm machinery.

Discussion on the matter of Had Deb Leases which certainly has its effect on prices, and the suggestion that all business be done on a cash basis, one implement representative pointed out failed to make into consideration.

eration the plight of countless farmers who as it is couched harvest with a good crop in sight, might not be able to get the much needed equipment unless someone comes to their aid financially and that implement companies have had this and at a cost much less than other finance agencies. Handicapped with low prices for grain it is natural that the farmers feel dissatisfied with the prices they have to pay for other products, but in the light of the evidence brought out at the inquiry it seems as though implements are not out of line with prices of other manufacturing products and that it would be difficult indeed to have prices reduced.

VILLAGE OF HUSSAR, ASSESSMENT ROLL, 1939.  
NOTICE IS HEREBY GIVEN that the assessment Roll of the Village of Hussar, for the year 1939 has been prepared and is now open for inspection at the Office of the Secretary-Treasurer from ten o'clock in the forenoon to four o'clock in the afternoon on every day which is not a Public Holiday, except Saturday, and on that day from ten o'clock in the forenoon until one o'clock in the afternoon, and that any person who desires to object to the entry of his name or that of any other person upon the said roll to the assessment of any property to the assessed value placed upon any property, must within thirty days after the date of this notice lodge a complaint in writing with the Secretary-Treasurer.  
Dated this 17th day of April, 1939.  
M. C. Ball,  
Secretary-Treasurer.

**RADIO NEWS**ROYAL VISIT TO BE BROADCAST  
TO WORLD, CPAC ANNOUNCES  
TO JOIN PARTY

Prof. Freeman, CPAC director of production, and well-known Canadian announcer will be a member of the broadcasting party to four Canada for the purpose of actuality commentaries on the activities in connection with the visit of their Majesties King George VI and Queen Elizabeth, from May 15th to June 15th., are nearing completion. Actually the broadcast will begin on May 15th with a description of the departure of the Royal Party from Portsmouth, England, aboard the Empress of Australia, relayed through the CBC. The first broadcast on Canadian soil will be from Quebec, Monday, May 15. Successful broadcasts will come from sixteen other cities across the Dominion. Some fifty engineers and announcers are assigned to the task of carrying out duties in this connection.

The arrangement that will be known as "leap-frogging". While one group is broadcasting in one city, the other group of engineers and announcers, will travel to the next, or, leaving point to make preparations. All equipment will be duplicated to guard against any possible failure. A spectacular demonstration has been arranged for Monday May 15th, when the Emp. of Australia arrives at the city of Quebec. The Royal entourage will head a huge parade to the Government Buildings.

**KING AND QUEEN TO SPEAK**  
Later King George will deliver a speech at a formal luncheon at the Chateau Frontenac which will be heard over CPAC. From Quebec the Royal party will proceed to Montreal and then on to Ottawa, where the King is scheduled to speak Thursday May 18th at the ceremonies of the unveiling of a war memorial in the Plaza. Queen Elizabeth will make what will probably be her only public address at Ottawa Friday, May 19th at the laying of the cornerstone of the new Supreme Court building.

Turf history will be made in Toronto Monday-May 22nd when the King is expected to give a short speech at the running of the "King's Plate" in Woodbine Park. It will be the first time a British monarch has presented, in person, the trophy to the owner of the winning horse. On "British Empire Day", Wednesday May 24, a one-hour broadcast will be aired from Winnipeg, when the King will acknowledge messages from all over the Empire. His fourth formal address will be from the Empress Hotel Victoria, B. C. May 30 when His Majesty will address the diners at the Government of B. C. luncheon.

**SOWING GRASSES AND LEGUMES  
MIXTURES FOR MAY**

Farmers who intend to sow grasses or legumes for hay ought to give serious consideration to sowing a mixture. There are a number of reasons why mixtures are superior to either crop grown alone for hay purposes. The yield of alfalfa hay has been found to be increased slightly by the addition of a small amount of grass seed. Too large a percentage of grass, however, decreases the yield of crops of straight alfalfa.

Very often a hay crop is sown on land which is inclined to blow. In such cases grass provides more fibre for the soil which is to be broken and the legume builds up the nitrogen content. In this way, both the soil fertility and the fibre in the soil are increased. A mixture of grass and alfalfa is more effective than alfalfa alone for controlling weeds. The grass seems to add a smothering effect which hinders materially in controlling noxious weeds.

It is a common mistake in this province to cut grass hay too late to secure the greatest feed value from it. With a mixture of alfalfa and grass, the tendency will be to cut the crop at the proper stage of growth. By cutting at this time, a higher feed value will be obtained from the grass than would have been secured had it been left until later in the season.

In the park belt of the Province and in the grey wooded soils a mixture consisting of alfalfa and timothy has been found satisfactory. Timothy requires considerable moisture and its use is therefore limited to those areas where rainfall is adequate. On the open prairie and in areas where rainfall is limited, alfalfa with Crested wheat grass is recommended. Alfalfa with Bromus may be grown successfully in the park belt or in areas of the open prairie where moisture is not a limiting factor.

The following rates per acre are suggested:  
Alfalfa 8 lbs. - Timothy 3 lbs.  
Alfalfa 8 lbs. - Crested 6 lbs.  
Alfalfa 8 lbs. - Crested Wheat 6 lbs.

Nurse crops are not recommended for alfalfa, either when sown alone or in a mixture. In all cases the seed should be sown in a well prepared seed bed and under suitable moisture conditions.

Little David, while at a neighbor's was given a piece of bread and butter and he politely said, thank you.  
That's right, David, said the lady, I like to hear little boys say thank you.

Well, said David if you want to hear me say it again you might put some jelly on it."

From time to time we will further details of activities and actually Broadcast times. We suggest that you watch this column and the time schedule so as not to miss any of the great events. CPAC will carry all broadcasts in this connection.

**GRASSHOPPERS**

Farmers in municipalities within the grasshopper infested areas are required to comply with the Provincial Agricultural Pests Act in control of grasshoppers.

Communities or municipalities wishing to hold public meetings, or wishing information, communicate with the Field Crops Branch of the Provincial Department of Agriculture.

**Department of Agriculture**

HON. D. B. MULLEN, Minister.

J. S. SWERNY, Deputy Minister.

**GRASSHOPPER SITUATION IN ALBERTA FOR 1939**

The grasshopper forecast for Alberta this year is for an outbreak covering a larger area westward and northward and a light and patchy area recorded for the first time in the Peace River District.

The range of severity of infestation over the Province is largely "light" to "very severe" depending to a great extent upon the growth and climatic conditions last fall and this spring and early summer. Where the forecast is termed "severe" there is a threat of wide spread damage of great intensity, which necessitates control measures on the part of farmers in those areas. Even in the light infested zones grasshoppers may be expected to be present in sufficient numbers to cause definite losses in individual fields. There fore, the hopper conditions for 1939 continue to be extremely serious, and will require that the province continue its widespread and well organized control campaign to avoid tremendous losses of crops in many large districts.

The Provincial Government is placing supplies and supervisors at the disposal of Municipalities and Improvement Districts in order to combat the expected outbreak. Farmers within the grasshopper infested areas are required to comply with the provisions of the "Provincial Agricultural Pests Act" in control of grasshoppers.

Communities and Municipalities wishing to hold public meetings, or municiate with the Field Crops Branch of the Provincial Department of Agriculture, Edmonton.

**PRODUCERS' PLACE ON MARKETING BOARDS**

Hon. E. C. Manning states that Producers Will be in the Majority on Marketing Boards

Producers will be in the majority on the marketing boards to be established in Alberta under the marketing Act passed at the recent session of the legislature, Hon. E. C. Manning, Minister of Trade and Industry, has stated.

An amendment made to the bill just before the House prorogued was as follows:

"The majority of the persons appointed as members of any marketing board to administer any scheme, shall be persons who are as the time of such appointment engaged in the production of the natural products to which the scheme relates."

As each board will be composed of not more than five members, the act passed means that at least three must be producers, said Manning. It is expected that there will be an announcement soon regarding the personnel of the provincial marketing board of five members, only one of which has as yet been appointed, this being the chairman, G. A. Clah.

**FOUR MISTAKES**

A man struck a match to see if the gas tank in his automobile was empty. It wasn't.

A man patted a strange bull dog on the head to see if it was affectionate. It wasn't.

A man speeded up his car to see if he could beat the train to the crossing. He couldn't.

A man cut out an advertising to see if he could save money. He didn't.

**If there were no Life Insurance**

IF there were no life insurance, millions of Canadian citizens would dread the future. Many men would be powerless to protect their loved ones. Thousands more families would be "on relief".

Life insurance — and Canadian families can face the future unafraid. Through their savings in life insurance, men and women (1) guarantee financial security for their families; (2) provide funds for educating their children; (3) protect their own old age.

Each and every working day, policyholders and their beneficiaries in Canada receive more than Five Hundred Thousand Dollars from their life insurance savings.

**Life Insurance**  
GUARDIAN OF CANADIAN HOMES

"I sh!t die," throbbed the author, "unless you consent to marry me."

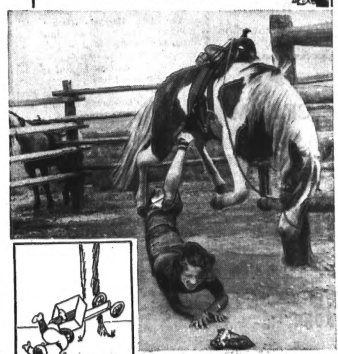

"I'm sorry," said the maiden kindly, "but I will not marry you."

So the fellow went out west and after 62 years, three months and a day became suddenly ill and died.

Lady: "I guess you're getting a good thing 'o' tending the rich Smith boy, ain't ye, doctor?"

Doctor: "Well, yes, I get a pretty good fee. Why?"

Lady: "Well, I hope you won't forget that my Willie threw the brick that hit 'im."

**The SNAPSHOT GUILD**  
TRICK PICTURES-I

Above: Realistic, but a fake, easy with any camera, inset, shows how to fake a snorter "hock". Just use concealed props or props, pose subject as desired.

"TRICK pictures?" you say? "Oh, I can't take those. Mine is just as ordinary camera."

There you're wrong. Splendid trick snapshots can be taken with any camera—whether it's a simple, inexpensive box camera or one of the finest camera models.

Consider the snapshot above. It looks like the sort of thing that demands a fast "action" camera and lots of picture luck. But don't be fooled. The picture was posed. The horse was stuffed, and hung on a peg. And the camera used was a simple amateur type such as thousands of us possess.

Probably you don't have a stuffed horse. But if your son has a bicycle or "motor" you can picture a spiff just as realistic as this one. Simply tie up the child's vehicle to a tree, showing it in a covey, off-the-ground position—see that the supports are concealed. Let your son

pose as if he had just toppled off—and snap the picture.

Photo tricks with string or thread are fun. Try a "magic golf club" shot. Just use light-weight thread, and suspend one of your clubs from a tree branch, in proper striking position. Hang a ball a few inches in front of the club head. Now, have a friend pose as if hypnotizing the club into action—and shoot. If you use thread (which is about the same color and tone as the background, it will not show).

Thread also can be used for trick shots indoors. Thus, you can show your wife "hypnotizing" a vase of flowers right off the table—or locking her sewing basket to her throat—and snap the shot. Just use dark thread to suspend the objects, and shade your photo lights so the thread is not illuminated.

Try these tricks now—and we'll tell you of some others just as easy, next week.

John van Guilder

The Wm. Honey family have re-  
cently moved into the R. C. M. P.  
House, vacated last fall by Sgt. and  
Mrs. C. H. Clark.

Mr. and Mrs. H. B. Butt and Mr.  
and Mrs. E. J. Bell of Bassano were  
Bassano visitors on Sunday.

Mr. Beachman and Mr. Allergood  
of Milo were Bassano visitors on Tues-  
day afternoon of this week.

Mrs. D. Wane of Medicine Hat was  
a Bassano visitor on Thursday of this  
week.

Mrs. Brower of Calgary visited at  
the home of Mrs. Barlow for a few  
days this week.

Mr. H. A. R. Knight of Cardston  
arrived in Bassano Wednesday evening,  
and assumed duties as teller in  
the local bank on Thursday morning.

Miss Faye Toms left Bassano on  
Tuesday for Calgary, where she will  
join the Imperial Old Troupe for the  
summer months. Miss Toms expects to  
resume her dancing classes here  
about September 1st.

The McGregor Construction Gang  
are camped in the local Auto Camp,  
while repairing Calgary Power lines  
west of town.

C. H. Hopkins was a Calgary  
visitor on Friday and Saturday.

Mrs. S. Leard spent Tuesday visit-  
ing in Gleichen.

Mr. Leo Newby of Brooks was a  
Bassano visitor on Wednesday evening  
of this week.

Mr. Rusty Basarrah and Mr. Ben  
Plummer returned on Sunday evening  
from Ontario, where they had been at-  
tending college.

Mrs. L. Conn was a Calgary visitor  
last week-end.

Miss Beatrice Oulton was a visitor  
in the city over the week-end.

Mr. and Mrs. H. H. H. of Duck Lake  
were Sunday visitors at the home of  
Mr. and Mrs. A. McLean.

Mrs. J. Clark of Crowfoot is spend-  
ing few days visiting at the home of  
her parents, Mr. and Mrs. S. Leard.

Mrs. Gordon of Calgary is visit-  
ing at the home of Mr. and Mrs. Wm.  
Honey for a few days.

Miss Boneta Johnson is visiting at  
the Roberts farm in the Mapleton  
District for a few days.

Miss Elizabeth Wittenberg spent  
Monday of this week visiting in Cal-  
gary.

Of course other peoples troubles  
are not as bad as yours, but their  
children are a lot worse.

**CONSIDERING DOMITORY  
SYSTEM IN LOCAL SCHOOL**

During the past few weeks, meet-  
ings have been held at various points  
in the district pertaining to the Do-  
mitory System of Education being es-  
tablished at Bassano. On Wednesday  
of this week, a meeting held in Ro-  
sary agreed to co-operate with the  
Boards of Trustees of the R. I. D. School  
Division and Bassano School, in estab-  
lishing the dormitory.

The scheme being considered pro-  
poses to establish dormitories in Bas-  
sano for the use of students in the  
R. I. D. Bow Valley, Rosemary and  
Glen School Divisions. Only students  
wishing to finish their high school  
education, or those living in areas  
where it is difficult to travel to school  
would be permitted use of the dormi-  
tories. Separate dormitories for boys  
and girls would be established, and  
each would be under the care of com-  
petent supervisors.

It is understood that a meeting of  
the local school board and the school  
divisions will be called for some date  
in the near future to further discuss  
the proposal.
